Health First Medicare Plans Dental Directory

for Classic (HMO-POS) and Employer Group Plans

About our Dental Network

The Classic (HMO-POS) and Employer Group plans are offered with DeltaCare USA coverage, underwritten by Delta Dental Insurance Company (Delta Dental), which provides services to enrolled members.

This directory is for all of the cities in Brevard County and the City of Sebastian (zip codes 32957, 32958 and 32978) in Indian River County. **This directory is current as of November 18, 2011.** Some contracted network dentists may have been added or removed from the list after this directory was printed.

As a member in this program, you have been sent a Certificate of Coverage (COC) and this directory of participating dentists. Please review the directory and look for the name of a network dentist in your area.

You can select any dentist listed in this directory. If you need help finding a dentist in your area, please contact Delta Dental's Customer Service Department toll-free at the number listed in this directory.

Changes to the Dental Provider Directory

Delta Dental may make updates to the Provider Directory throughout the year. Delta Dental will be available to answer any questions you may have. Please call Delta Dental toll-free at the number listed in this directory.

How do you choose a Dentist?

You can choose any network dentist from this directory for your dental care. Once you select a network dentist, you must go to that dentist to receive services covered under the DeltaCare USA program. If you go to a dentist who is not your assigned network dentist you must pay all of the cost of treatment.

How do I schedule an appointment with a dentist?

After you have selected a network dentist, call the dentist's office to schedule an appointment. Tell the dentist that you have DeltaCare USA coverage and ask the dentist to confirm that he or she is a participating provider in the program and that you are eligible in their office.

During your first appointment, be sure to give your dentist the following information:

1. Your plan is DeltaCare USA
2. Your member identification number*
3. Your date of birth; and,
4. Any other dental coverage you have

*Please note that you do not need to, for any reason, provide your Social Security Number to Delta Dental. Your Health First Health Plans' member identification number is sufficient.

Changing your dentist

You may change network dentists by notifying Delta Dental either by phone or by visiting their website (deltadentalins.com). If you contact Delta Dental by the 21st of the month, the change will become effective the first of the following month.
